Circular No.	FD/2025/04
Date	01 April 2025
Issued by	Retail Liabilities Department
Subject	**Fixed Deposit Scheme: Terms and Conditions**

All branches are advised that the following terms and conditions shall apply to Fixed Deposits (FDs) accepted on or after **01 April 2025**. This circular supersedes Circular FD/2023/09 dated 15 September 2023.

1. Eligibility

Fixed Deposits may be opened by resident individuals (singly or jointly, up to three holders), minors through a natural or legal guardian, sole proprietorship firms, partnership firms, companies, trusts and registered societies.

2. Deposit amount

The minimum deposit is **Rs. 10,000**, and further amounts in multiples of Rs. 1,000. The maximum amount per deposit under this scheme is Rs. 2 crore. Deposits above Rs. 2 crore are treated as bulk deposits, for which rates are quoted separately by Treasury.

3. Tenure

Deposits may be accepted for any period from **7 days to 10 years**.

4. Rates of interest

The following rates (per cent per annum) are applicable to domestic deposits below Rs. 2 crore:

Tenure	General public (%)	Senior citizens (%)
7 days to 45 days	4.00	4.50
46 days to 179 days	5.25	5.75
180 days to less than 1 year	6.00	6.50
1 year to less than 2 years	7.10	7.60
2 years to less than 3 years	7.00	7.50
3 years to 5 years	6.75	7.25
Above 5 years up to 10 years	6.50	7.00

Senior citizens (resident individuals aged 60 years or above on the date of deposit) receive an additional 0.50% over the rate applicable to the general public.

5. Payment of interest

Interest is paid quarterly on 30 June, 30 September, 31 December and 31 March, or monthly at a discounted value, as chosen by the depositor. Under the cumulative (reinvestment) option, interest is compounded quarterly and paid with the principal on maturity. For deposits of 180 days or less, simple interest is paid on maturity.

6. Premature withdrawal

No interest is payable on deposits withdrawn before completing 7 days. For deposits withdrawn after 7 days, interest is paid at the rate applicable to the period for which the deposit actually remained with the Bank, **less a**

penalty of 1.00%. No penalty is charged where the deposit is closed prematurely on account of the death of the depositor.

7. Renewal

Unless the depositor instructs otherwise, a deposit is automatically renewed on its maturity date for the same tenure at the rate prevailing on that date.

8. Loan against deposit

A loan or overdraft may be granted against a Fixed Deposit up to **90%** of the principal plus accrued interest, at 1.00% above the rate payable on the deposit.

9. Other conditions

Nomination facility is available. Tax is deducted at source as per applicable law.
