Issued by Digital Banking Department

Subject **Digital Banking Transaction Limits and Card Security Guidelines**

1. Daily transaction limits

Channel	Default limit per day	Maximum on request
Internet banking: transfers to other banks	Rs. 2,00,000	Rs. 10,00,000
Mobile banking: fund transfers	Rs. 1,00,000	Rs. 5,00,000
Debit card ATM withdrawal: Classic	Rs. 25,000	Rs. 40,000
Debit card ATM withdrawal: Platinum	Rs. 1,00,000	Rs. 1,00,000
Debit card POS and online: Classic	Rs. 50,000	Rs. 1,00,000
Debit card POS and online: Platinum	Rs. 2,00,000	Rs. 5,00,000

2. New payees

A newly added payee becomes active after a cooling period of **30 minutes**. During the first 24 hours after activation, transfers to that payee are limited to **Rs. 50,000** in total.

3. Security controls

After 3 consecutive wrong PIN attempts, the debit card is blocked for 24 hours and unblocked automatically. After 3 wrong login passwords, internet banking access is locked and must be reset through the "Forgot Password" option. Internet banking sessions expire after **5 minutes** of inactivity. International usage is disabled by default on all new cards and can be enabled through the mobile banking app.

4. Blocking a card

Customers can block a card instantly through the mobile banking app, by calling 1800-000-4455 (24x7 for card blocking), or by sending an SMS **BLOCK <last 4 digits of card>** to 56767000 from the registered mobile number.

5. Customer awareness

The Bank never asks customers for their OTP, PIN, CVV or passwords by phone, email or SMS.
